# Invitation to the New York PrivateEquityOffice™ Workshop

Managing alternative assets in these turbulent times has become extremely challenging. Indeed, private equity and venture capital fund managers have come under increasing pressure to efficiently provide superior responsiveness to their investors.

AnalytX invites you to attend our workshop on how the PrivateEquityOffice™ software application can increase efficiency across your organization. To register, login to [www.analytx.com](http://www.analytx.com) or email us at [workshops@analytx.com](mailto:workshops@analytx.com). Alternatively, you can ring us at 772.564.8066.
